

COM 33400 Web Design – Week 8 Assignment – Media Design Firm Website

Micro Project Phase 2 DUE 10/19/15

This phase of the Micro Project will be to add the provided web copy and pics to the media design prototype you created last week using Bootstrap as the framework.

Produce the following items for next week's class:

- A new prototyped version of the website that utilizes all of the pictures and web copy provided.

When complete, upload your files to both the Google Drive >Week 8 folder and to a subdomain on your Biz.nf website.
